 - If approved, the bill proceeds to the floor.

- Floor Debate and Vote
 - The bill is debated; amendments may be proposed.
 - Vote occurs; a simple majority is needed for passage.
- Other Chamber Consideration
 - The bill moves to the other chamber, where it undergoes a similar process.
- Conference Committee
 - If chambers pass different versions, a conference committee reconciles differences.
- Final Approval
 - Both chambers must approve the compromise version.
- Presidential Action
 - The bill is sent to the President, who can sign it into law or veto it.
 - Congress can override a veto with a two-thirds majority in both chambers.
